

What Shall I Give?

“My brothers, my sisters, my siblings, we have work to do. To stand for . . . a way of being Christian that is grounded and based on love.”

– The Most Rev. Michael Curry
Presiding Bishop
The Episcopal Church

Bishop Curry says it well — we have work to do. Our work — HERE, NOW — begins with a pledge or gift from each and every one of us. This is the time to carefully and prayerfully consider your pledge or gift.

Every gift, no matter how small or large, is received and acknowledged with great thanksgiving. And every gift is put to work for current and future generations. To all, as you are able, allow your gratitude to guide you to consider an increased gift in proportion to what you have received.

If you pledged to the OPERATING FUND in 2018, thank you! Please consider increasing your pledge for 2019 to help cover increasing costs and reduce our dependence on drawing down our endowments. If you have not pledged to the Operating Fund previously, please join your fellow parishioners, including your entire leadership team, by making your pledge, intention or gift now for 2019. We rely on your regular giving.

If you pledged to the MORTGAGE FUND during the Set Sail! Initiative, thank you! Please consider continuing your pledge for 2019–2021 or even increasing it. If you did not, please consider making a pledge, intention or gift now.

Imagine what CCPKI can be when everyone gives from love! For the next six weeks, we will be sharing acts of love as we imagine what we might become as a church and as individuals. Our prayers will ask for guidance and assistance. **Pledges are welcome any time during the six weeks**, and by **Sunday, November 4th**, we hope that every household in the parish will have embraced love as the way forward in our parish, our community and our lives.
